Scouting America Troop 404 was initially formed and chartered in April, 2004 (hence the number "404") by a small group of families. This family-oriented troop has provided quality Scouting opportunities for more than 20 years.

Our registered leaders have many years of Scouting experience to assist boys in camping, hiking, rank advancement, merit badge work, and community service projects.

We meet most Monday evenings at  
Covenant Presbyterian Church.
